

Golant Sports and Carnival

Annual report

The forecast on Thursday for the marquee building on Friday was bad so we postponed that until Saturday morning and then watching the forecast for Saturday we began to wonder what our options were. We decided to hold the teas in the Village Hall and the fancy dress in the pub marquee in the evening.

In true Golant community style the whole thing was a tremendous success and we must thank everybody involved in the switch of venues for the innovative thinking and effort of making it a success.

Through untold generosity we have sufficient funds to hold Sports & Carnival again and this year it will be on Saturday 18th August with Madness in the Pill slightly earlier due to the tides on Sunday 12th August.
