

ST SAMPSON PARISH COUNCIL "Parking Permit Application Form" 2022

Dear Parishioner,

We will again be offering **residents and property owners within the parish**, the opportunity to purchase annually one of three types of ticket, each representing a discount on the standard parking charges. Please note that all tickets are non-transferable. An application does not guarantee a parking permit, and the decision of the Parish Council is final.

Season Ticket A: £75: This permit is for Homeowners in the Parish who are **not** on the electoral roll, and allows parking in the "pay and display" car park subject to a parking space being available. Maximum stay 24 hours, but no limit to the number of stays.

Season Ticket B: £50 This permit is for residents **on the electoral roll** of the Parish and allows a car to park in the "pay and display" car park subject to a parking space being available. Maximum stay 24 hours, but no limit as to the number of stays.

Village Green Pass £0: This permit is issued to those permanent residents with no off road parking of their own. Because of the limited space available, priority must be given to those without actual parking space available to them.

Application for Car Park Season Ticket/Village Green Pass

Name: _____

Address: _____

Postcode: _____ Telephone Number: _____

Principal Vehicle: Make and Model _____

Registration Number: _____
